

2013 Biodiversity 'Up Close' events series presents...

Life in the Deadwood: Discover the world of bugs, slugs, fungi and more this June!

June is environment month at the Mount Gambier Library, and Nature Glenelg Trust, Nature Resources SE and partners are bringing **life in the deadwood** to you with a number of FREE activities. All times are SA times.

Fungi photos: Steve Clarke

The wonderful world of Fungi!

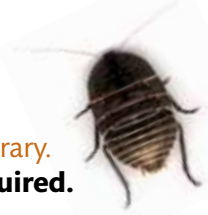

with Pam Catcheside, Adelaide Fungal Studies Group

Wed 5 June: Public Talk

Bugs n Slugs at the Library!

Sun 23 June: Life in the Deadwood at the Mount Gambier Library

FF

Session 1: Nature's recyclers, beetles, what lives in hollows and sustainable firewood options with Kris Messenger; Oisin Sweeney, Natural Resources SE & Peter Feast, Mimosa Farm Trees.
11:30am (45 min)

Multifunction room, Mount Gambier Library.

Session 2: Minibeasts, Bugs, Beetles and more with Kris Messenger and the Bugs n Slugs team.
1:30pm (45 min)

Multifunction room, Mount Gambier Library.

Bookings required for both sessions via the library either in person; ph: 08 8721 2540 or online: www.mountgambier.sa.gov.au/library

Also...

> **Bugs n Slugs display:** Get up close to Kris and the minibeasts. Various times between 11am-3pm.

> **Peter Feast from Mimosa Farm Trees** will be on hand with local native plants for sale and to talk firewood.

Until 30 June: Art Exhibition 'Stan Kelly: Fungi'

Hamilton Art Gallery.

See the works of this self-taught artist, a Victorian railway engine driver by trade who devoted his paintings to Australian native flora and fungi.

FF

= family friendly event.

Children must be supervised by their parent(s)/guardian at all times.
