

Nature Glenelg Trust welcomes you to the

Official opening of the Cross-border Community Nursery Site in Mount Gambier

Come and be part of a historic day for the South West and South East – with the opening of the regional cross-border community nursery site in Mount Gambier.

Take a look at the new site, and find out more about the Cross-border Community Nursery

and Seed Collections Project from Project Co-ordinator Ken Baker.

Other Nature Glenelg Trust staff will also be available to discuss the biodiversity of our region – on both sides of the border, in Victoria and South Australia.

Monday 24th June

1:30pm (SA time)

Vansittart Park

Wehl Street, Mount Gambier.

Official opening of the community nursery site. Light refreshments provided.

2:00-5:00pm (SA time)

Site "open day" for interested members of the public to drop in.

Light refreshments provided.
