

Burrowing Crayfish ICT project

Your task is to make a digital project about burrowing crayfish for the science team at Nature Glenelg Trust to use.

Your project must include information about:

Description:

What are they?

Habitat:

Where do they live?

What are chimneys?

What function do they have?

Food source:

What do they eat?

Care and Protection:

How can we help the burrowing crayfish?

Scientific work:

How do scientists and the community help the crayfish?
