

Inspiring people, inspiring conservation & snot otters

*The experiences of a Churchill Fellowship to conserve
freshwater species*

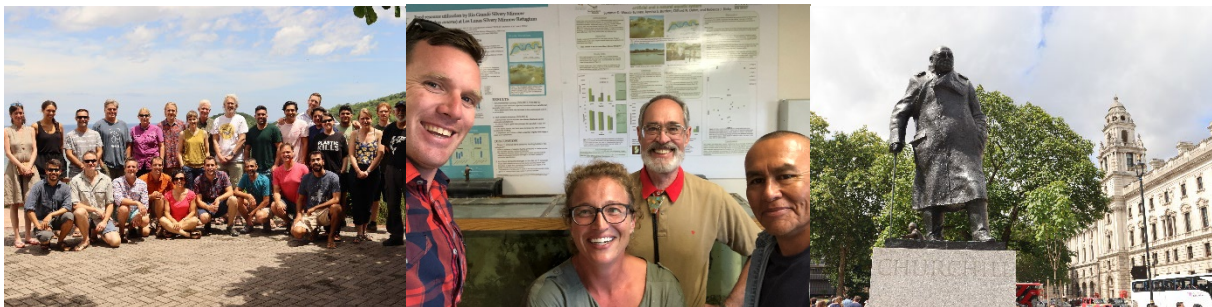

NICK WHITEROD CF 2018

When - Saturday, 14th November 2020. Doors open 10am, 10.15am start

Where – Payneham Room, Payneham Library & Community Facility
2 Turner Street, Felixstow

Nick is the inaugural Richard Rischbieth Memorial Churchill Fellow. During 2019, he travelled for 66 days meeting with more than 50 experts across cities and towns over five countries (Costa Rica, USA, UK, Republic of Ireland and Sweden). His topic was

*‘To develop world’s best practice for the
conservation translocation of threatened
Australian freshwater species’*

Nick will share his experiences and how the lessons he has learnt are benefiting the conservation of freshwater species in Australia. His report can be found on the Winston Churchill Memorial Trust website (www.churchilltrust.com.au/fellow/nick-whiterod-sa-2018/)

*To comply with Covid-19 requirements, and with the Covid-SAFE plan, please RSVP to
h.rischbieth@internode.on.net before 12th November 2020.*
